From Creation Week to the Eternal Kingdom – A Faithful Reconstruction with Maps, Timelines, and External Corroboration

Dedication

To every seeker who longs to know the true span of time from Adam to the New Jerusalem. May this timeline honour the unchanging Word of God and point all glory to Jesus Christ, the Alpha and the Omega.

Biblical Foundation

The timeline follows a **literal, young-earth reading** of Scripture (similar to Archbishop James Ussher's 1650 chronology), treating the genealogies of Genesis 5 & 11 as complete and gapless, and accepting the Masoretic Text ages.

Core principle

Genesis 1–11 gives exact years from Creation to Abraham. The rest of Scripture provides anchors (Exodus, Kings, exile dates, New Testament). External history is cross-checked only when it aligns — never used to override Scripture.

Overall Timeline Summary (Ussher-style base, adjusted slightly for modern scholarship on post-exilic dates)

- Creation of Adam: 4004 BC
- The Flood (Noah): 2348 BC
- Tower of Babel dispersion: ~2200–2100 BC
- Abraham's birth: 1996 BC
- Exodus & Law given: 1491 BC
- Solomon's temple foundation: 966 BC
- Babylonian exile begins: 586 BC
- Return under Cyrus: 538 BC
- Birth of Jesus Christ: 4 BC
- Crucifixion & Resurrection: AD 30/33
- Destruction of Jerusalem (2nd temple): AD 70
- Second Coming & millennial kingdom: future (date unknown)
- New heaven & new earth: eternal (after final judgment)

Chapter 1: Why a Biblical Timeline Matters

Opening Verse "In the beginning, God created the heavens and the earth." (Genesis 1:1)

1. The Authority of Scripture Over Human Chronology

The Bible is not a collection of moral stories or religious myths — it is the **infallible, God-breathed record** of real history from the first moment of creation to the eternal state. When Scripture gives exact ages, years, and sequences (especially in Genesis 5 & 11), we are not free to treat them as symbolic, approximate, or full of gaps. The text presents them as **literal chronology** — the same way it presents the resurrection of Christ, the parting of the Red Sea, or the virgin birth.

2 Timothy 3:16–17 declares: "All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work."

If we allow secular deep-time theories (billions of years) to override the clear timeline of Genesis, we undermine the foundation of the entire Bible.

2. The Danger of Deep Time & Evolutionary Chronology Modern secular science claims:

- Universe ~13.8 billion years old
- Earth ~4.54 billion years old
- Human-like creatures millions of years ago
- No global flood; gradual geological processes

This timeline directly contradicts Scripture:

- Creation in six literal days (Gen 1; Ex 20:11)
- Adam created from dust ~6,000 years ago (Gen 2:7; Luke 3:38 traces Jesus to Adam)
- Global flood ~4,300 years ago (Gen 7–8; 2 Pet 3:5–6)
- Genealogies without gaps (Gen 5 & 11 give exact father-to-son ages)

Accepting billions of years forces reinterpretation:

- "Day" in Genesis 1 becomes long ages
- Genealogies have massive gaps
- Flood becomes local or symbolic

- Death before sin (contradicts Rom 5:12)

The result: the gospel loses its foundation. If death existed for millions of years before Adam, then death is not the penalty of sin — and Christ's death is not the remedy.

3. Historical Examples of Faithful Chronologies

Christians have long defended a young-earth timeline using Scripture alone:

- **James Ussher (1581–1656)**
    - Archbishop of Armagh, Ireland
    - Published *Annals of the World* (1650)
    - Creation: 4004 BC (October 23, evening)
    - Flood: 2348 BC
    - Method: literal genealogies + known historical anchors (e.g. Solomon's temple, Babylonian exile)
- **John Lightfoot (1602–1675)**
    - Refined Ussher
    - Creation: October 23, 4004 BC, 9:00 a.m.
    - Emphasized literal 6-day creation
- **Modern defenders** (20th–21st century)
    - Henry Morris & John Whitcomb (*The Genesis Flood*, 1961)
    - Answers in Genesis (Ken Ham)
    - Institute for Creation Research
    - All maintain Ussher-style timeline with minor adjustments (e.g. 4004 BC vs 4000 BC)

4. Why This Timeline Honors God

A biblical timeline:

- Upholds God's Word as true from the first verse
- Magnifies Christ as Creator and Redeemer (Col 1:16–17)
- Shows the shortness of human history compared to eternity

- Warns of coming judgment (2 Pet 3:3–7 — scoffers deny the flood and coming fire)
- Gives hope: the same God who created in six days will restore all in the twinkling of an eye (1 Cor 15:52)

5. How This Book Will Proceed

We will:

- Build the timeline step by step from Genesis 1 to Revelation 22
- Use only Scripture for primary dates (no compromise with secular billions of years)
- Cross-check with external history only when it aligns (e.g. Assyrian/Babylonian records for Kings & exile)
- Include maps, charts, and simple timelines for clarity
- End with the eternal state — where time itself gives way to unending glory

Prayer to Begin This Journey

Lord Jesus Christ, Alpha and Omega, Beginning and End, You who created all things in six days and rested on the seventh, thank You for giving us Your Word as a trustworthy record of time. Help us read Genesis as literal history, not myth. Protect us from the deception of deep time that denies Your power. Guide us through this timeline so we may better know You, worship You, and proclaim You to the nations. May every year from Creation to the New Jerusalem bring glory to Your name. Come quickly, Lord Jesus.

Chapter 2: Creation Week to the Fall (Genesis 1–3)

Opening Verse "In the beginning, God created the heavens and the earth." (Genesis 1:1)

1. The Six Literal Days of Creation The Bible presents Creation as six consecutive, literal 24-hour days followed by a seventh day of rest. This is not allegory, poetry, or long ages — it is **historical narrative** written in plain prose.

Key evidence for literal days:

- The Hebrew word **yôm** (day) is used with ordinal numbers ("first day," "second day") and evening/morning boundaries (Gen 1:5, 8, 13, etc.) — this structure always means ordinary days in Hebrew.
- Exodus 20:11 — "For in six days the Lord made heaven and earth… and rested on the seventh day" — God commands the Sabbath as a memorial of literal creation week.
- Jesus affirms literal creation: "But from the beginning of creation, 'God made them male and female'" (Mark 10:6) — no room for millions of years before Adam and Eve.
- No death before sin (Rom 5:12) — fossils and death cannot predate the Fall.

Day-by-Day Timeline (Ussher base: 4004 BC)

- **Day 1** (4004 BC, evening to evening): Light created, day/night separated (Gen 1:3–5)
- **Day 2**: Firmament/expanse separates waters above and below (Gen 1:6–8)
- **Day 3**: Dry land appears, seas gathered; plants, trees, fruit created (Gen 1:9–13)
- **Day 4**: Sun, moon, stars created as lights for earth; seasons, days, years marked (Gen 1:14–19)
- **Day 5**: Sea creatures and birds created (Gen 1:20–23)
- **Day 6**: Land animals created; Adam formed from dust, Eve from Adam's side; dominion given (Gen 1:24–31; 2:7–25)
- **Day 7**: God rests — Sabbath instituted (Gen 2:1–3; Ex 20:11)

2. The Garden of Eden – Perfect Environment

After creating Adam and Eve (Day 6), God plants Eden:

- Location: "in the east" (Gen 2:8) — four rivers (Pishon, Gihon, Tigris, Euphrates) flow from it

- Features: every tree pleasant to sight and good for food; tree of life; tree of knowledge of good and evil
- No death, no curse, no sin — perfect harmony between God, man, and creation

Cross-references

- Ezekiel 28:13–14 — Eden as God's holy mountain, garden of God
- Revelation 2:7 & 22:2 — tree of life restored in New Jerusalem
- Revelation 22:1–2 — river of life flows from throne — Eden restored

3. The Fall – Sin Enters the World

Adam and Eve are tempted by the serpent (Satan – Rev 12:9):

- Doubt God's word: "Did God really say…?" (Gen 3:1)
- Promise of godhood: "You will be like God" (Gen 3:5)
- Eve eats, gives to Adam — both eat (Gen 3:6)

Immediate consequences:

KJC-DNN

- Eyes opened — know good and evil (Gen 3:7)
- Shame — hide from God (Gen 3:8)
- Curse on serpent (Gen 3:14–15 – protoevangelium: seed of woman crushes serpent's head)
- Pain in childbirth, husband rule (Gen 3:16)
- Ground cursed, thorns, sweat for bread (Gen 3:17–19)
- Death enters: "for you are dust, and to dust you shall return" (Gen 3:19)

Cross-references

- Romans 5:12 — "Sin came into the world through one man, and death through sin"
- Romans 8:20–22 — creation subjected to futility, groans for redemption
- 1 Corinthians 15:21–22 — "by a man came death… in Adam all die"
- Hebrews 2:14–15 — Christ destroys death and devil's power

4. Timeline Placement

- Creation Week: 4004 BC (Ussher)

- The Fall: same year or shortly after (no long ages)
- Total from Creation to Flood: 1656 years (Gen 5 genealogy)

5. Why Literal Days & Fall Matter

- Establishes **no death before sin** — fossils cannot predate Adam
- Sets foundation for gospel: sin's penalty is death; Christ dies to pay it (Rom 6:23)
- Shows God as **perfect Creator** — not trial-and-error over billions of years
- Gives hope: curse will be reversed (Rev 22:3 – "no longer will there be anything accursed")

Prayer for This Chapter

Lord Jesus Christ, Creator of all things in six days, thank You for the perfect beginning and the promise of perfect restoration. Help us hold fast to Your Word — literal, historical, and true. Forgive us for doubting Your power as Creator. In this little season, keep us from compromise with deep time lies. Come quickly, and make all things new — no more curse, no more death.

Chapter 3: From Adam to Noah – The Antediluvian World (Genesis 5)

Opening Verse "This is the book of the generations of Adam. When God created man, he made him in the likeness of God." (Genesis 5:1)

1. The Genealogy of Genesis 5 – A Precise Chronological Record

Genesis 5 is not a list of names with gaps or symbolic numbers. It is a **deliberate, year-by-year chronology** from Adam to Noah — the longest unbroken timeline in Scripture before the Flood.

The structure is highly formulaic:

- "[Name] lived X years and fathered [next name]."
- "After he fathered [next name], [Name] lived Y more years…"
- "Thus all the days of [Name] were Z years, and he died."

This formula leaves **no room for gaps** — every father-to-son link is dated exactly.

2. The Antediluvian Timeline (Adam to Noah)

Using the Masoretic Text ages (the basis for Ussher's 4004 BC Creation date):

Person	Age at Fathering Next Son	Years Lived After	Total Lifespan	Year of Birth (AM)	Year of Death (AM)	Cumulative Years from Adam
Adam	130 (Seth)	800	930	0	930	0
Seth	105 (Enosh)	807	912	130	1042	130
Enosh	90 (Kenan)	815	905	235	1140	235
Kenan	70 (Mahalalel)	840	910	325	1235	325
Mahalalel	65 (Jared)	830	895	395	1290	395
Jared	162 (Enoch)	800	962	460	1422	460
Enoch	65 (Methuselah)	300 (walked with God)	365	622	987	622
Methuselah	187 (Lamech)	782	969	687	1656	687
Lamech	182 (Noah)	595	777	874	1651	874
Noah	500 (Shem, Ham, Japheth)	450 after Flood	950	1056	2006	1056

Key Calculations

- From Adam to Flood: 1656 years (Methuselah dies same year as Flood)

- Enoch “walked with God” and was taken — did not die (Gen 5:24; Heb 11:5)
- Noah 500 years old when sons born — Shem likely born ~1556 AM (Noah 502 at Flood)
- All antediluvian patriarchs overlap — long lifespans mean many generations alive together

3. Characteristics of the Antediluvian World

- **Extreme longevity** — average ~912 years (Methuselah 969 – longest recorded)
- **Population growth** — rapid (Gen 6:1 – “when men began to multiply”)
- **Moral decline** — “wickedness of man was great” (Gen 6:5)
- **Nephilim / sons of God** — Gen 6:1–4 (debated: fallen angels or godly line intermarrying ungodly)
- **Violence & corruption** — “the earth was corrupt… filled with violence” (Gen 6:11–12)

Cross-references

- Hebrews 11:5 — Enoch’s translation as testimony of faith
- Luke 3:38 — Jesus’ genealogy back to “Seth, the son of Adam, the son of God” — confirms no gaps
- 2 Peter 2:5 — Noah “a herald of righteousness” in a corrupt world
- Jude 1:14–15 — Enoch prophesied judgment (quote from Book of Enoch, but affirmed in Scripture)

4. Why This Genealogy Is Reliable

- **No gaps** — ages given at fathering next named son — no “begat” meaning “ancestor of”
- **Masoretic Text** — basis for Ussher; Septuagint adds ~1,500 years (not used here)
- **Jesus affirms** — quotes Gen 1–2 as historical (Matt 19:4–5)
- **Flood anchor** — Jesus treats Flood as real history (Matt 24:37–39; Luke 17:26–27)

5. Timeline Placement

- Creation: 4004 BC
- Adam to Flood: 1656 years → Flood ~2348 BC
- Antediluvian world: ~1,656 years of human history before global reset

Prayer for This Chapter

Lord Jesus Christ, who walked among men and knows every generation, thank You for the faithful record from Adam to Noah. Help us trust Your Word's timeline — no gaps, no compromise. In this little season of deep-time deception, keep us anchored in Genesis truth. Prepare our hearts for the day when You return to judge and restore. Come quickly, Lord Jesus.

Chapter 4: The Global Flood & Repopulation (Genesis 6–9)

Opening Verse "And God saw the earth, and behold, it was corrupt, for all flesh had corrupted their way on the earth. And God said to Noah, 'I have determined to make an end of all flesh…'" (Genesis 6:12–13)

1. The Corruption of the Antediluvian World The long-lived antediluvian era (Adam to Noah, 1656 years) ended in total moral collapse. Genesis 6 describes:

- "The wickedness of man was great in the earth, and every intention of the thoughts of his heart was only evil continually" (v. 5)
- "The earth was corrupt… filled with violence" (v. 11–12)
- "All flesh had corrupted their way on the earth" (v. 12)

This universal corruption included:

- Intermarriage between "sons of God" and "daughters of man" (v. 1–4) — widely interpreted as godly line (Seth) mixing with ungodly (Cain), or fallen angels producing Nephilim
- Nephilim (giants/tyrants) on earth — "heroes of old, men of renown" (v. 4)
- Rampant violence and injustice

God's response: grief (v. 6), determination to destroy mankind (v. 7), but grace toward Noah (v. 8).

2. Noah – The Righteous Exception

- Noah "found favor in the eyes of the Lord" (v. 8)
- "Noah was a righteous man, blameless in his generation. Noah walked with God" (v. 9)
- Father of three sons: Shem, Ham, Japheth (v. 10)
- Age at Flood: 600 years (Gen 7:6)

3. The Ark – Specifications & Purpose God gives exact dimensions (Gen 6:14–16):

- Length: 300 cubits (~450 feet / 137 m)
- Width: 50 cubits (~75 feet / 23 m)
- Height: 30 cubits (~45 feet / 14 m)
- Three decks, door in side, window/roof opening

- Gopher wood, pitch inside/outside

Purpose:

- Save Noah, family, and representatives of every kind of land/air animal (v. 19–20)
- Preserve life through global judgment
- No fish or sea creatures needed — waters already covered earth

4. The Global Flood – Exact Timing & Scope

- **Flood begins**: Noah 600 years old, second month, 17th day (Gen 7:11) → ~2348 BC (Ussher)
- **Duration**:
    - Rain 40 days/nights (Gen 7:12)
    - Waters prevail 150 days (Gen 7:24)
    - Waters recede 150 days (Gen 8:3)
    - Total ~1 year (Gen 8:13–14 – Noah 601 years old, first month, 27th day when dry)
- **Scope**: universal — "all the high mountains under the whole heaven were covered" (Gen 7:19); "all flesh died that moved on the earth" (v. 21)

Cross-references

- 2 Peter 3:5–6 — "the world that then existed was deluged with water and perished" — global, not local
- Matthew 24:37–39 — Jesus treats Flood as real, sudden, universal judgment
- Luke 17:26–27 — "as in the days of Noah… they were eating and drinking… until the day when Noah entered the ark, and the flood came and destroyed them all"
- Hebrews 11:7 — Noah condemned the world by faith, became heir of righteousness

5. Repopulation After the Flood

- Survivors: Noah, wife, three sons, three daughters-in-law (8 people)
- God's command: "Be fruitful and multiply and fill the earth" (Gen 9:1)
- Covenant: rainbow as sign — never again destroy earth with flood (Gen 9:11–17)

- Post-Flood longevity drop: Shem 600 → Arphaxad 438 → down to ~120 years (Gen 11) — genetic bottleneck

6. Timeline Placement

- Creation: 4004 BC
- Flood: 2348 BC (1656 years after Creation)
- Post-Flood repopulation → Tower of Babel (~2200–2100 BC) → Abraham (~1996 BC)

7. Why the Global Flood Matters

- Destroys deep-time geology (fossils formed rapidly in flood)
- Explains worldwide sedimentary layers, coal beds, fossil graveyards
- Shows God's judgment on sin — and grace through one man (Noah)
- Foreshadows final judgment (2 Pet 3:7 — earth reserved for fire)

Prayer for This Chapter

Lord Jesus Christ, who warned of the days of Noah, thank You for the faithful record of the global Flood. Help us trust Your Word — a worldwide judgment, a righteous remnant, a new beginning. In this little season, keep us from doubting Your power as Creator and Judge. Prepare our hearts for the day when You return in fire to judge and renew all things. Come quickly, Lord Jesus.

Chapter 5: Tower of Babel & Dispersion of Nations (Genesis 10–11)

Opening Verse "Now the whole earth had one language and the same words. And as people migrated from the east, they found a plain in the land of Shinar and settled there." (Genesis 11:1–2)

1. The Post-Flood World – One Language, One People After the global Flood (~2348 BC), only eight survivors remained: Noah, his wife, three sons (Shem, Ham, Japheth), and their wives (Gen 7:13; 1 Pet 3:20). God commanded them: "Be fruitful and multiply and fill the earth" (Gen 9:1).

For the first few generations, humanity remained:

- United in language (Gen 11:1 – "one language and the same words")
- United in location — migrated eastward to Shinar (Mesopotamia, modern Iraq)
- United in purpose — built a city and tower "with its top in the heavens" (Gen 11:4)

2. The Tower of Babel – Rebellion Against God's Command The people said:

- "Come, let us build ourselves a city and a tower with its top in the heavens, and let us make a name for ourselves, lest we be dispersed over the face of the whole earth." (Gen 11:4)

KJC-DNN

Key motives:

- **Centralized power** — city to unify and control
- **Pride** — "make a name for ourselves" (self-glory instead of God's)
- **Defiance** — tower "with its top in the heavens" — likely ziggurat-style (reaching toward gods)
- **Refusal to disperse** — directly against "fill the earth"

This was **organized rebellion** — Nimrod ("mighty hunter before the Lord") likely led it (Gen 10:8–10 – founder of Babel, Erech, Akkad, Nineveh).

3. God's Judgment – Confusion of Languages God came down to see the city and tower (Gen 11:5–6):

- "Behold, they are one people, and they have all one language… nothing that they propose to do will now be impossible for them."
- Judgment: "Come, let us go down and there confuse their language, so that they may not understand one another's speech." (v. 7)

Result:

- Language confusion → people scattered over the earth (v. 8–9)
- City called **Babel** (Hebrew: confusion; Akkadian: bab-ilu = gate of god)
- Dispersion fulfilled God's command to fill the earth

4. The Table of Nations – Genesis 10

Genesis 10 (the "Table of Nations") lists the descendants of Noah's three sons and how they became the root of all ethnic groups:

- **Japheth** (v. 2–5) — maritime peoples, Indo-European groups (Gomer → Cimmerians, Javan → Greeks/Ionians, etc.)
- **Ham** (v. 6–20) — African, Canaanite, Mesopotamian peoples (Cush → Ethiopia, Mizraim → Egypt, Canaan → Canaanites)
- **Shem** (v. 21–31) — Semitic peoples (Arphaxad → Hebrews, Elam → Persians, Asshur → Assyrians)

Key points:

- All humanity descends from Noah's family — one blood (Acts 17:26)
- Dispersion after Babel (~2200–2100 BC) — rapid spread of languages and cultures
- No evolution or millions of years — all post-Flood

5. Timeline Placement

- Flood: ~2348 BC
- Tower of Babel & language confusion: ~2200–2100 BC (within a few generations after Flood)
- Abraham's birth: ~1996 BC (shortly after dispersion)

6. Why the Tower of Babel Matters

- Explains origin of languages and nations (not evolutionary divergence over millions of years)
- Shows human pride and rebellion — centralization against God's command to spread out
- Demonstrates God's judgment and mercy — scatters but preserves life

- Sets stage for Abraham's call (~1921 BC) — God chooses one man to bless all nations (Gen 12:3)

Prayer for This Chapter

Lord Jesus Christ, who scattered the nations at Babel and later gathered them at Pentecost, thank You for the faithful record of the Tower and the dispersion. Help us see Your hand in the rise of every people and tongue. In this little season of pride and centralization, keep us humble and obedient to Your command to go into all the world. May every nation hear the gospel and bow to You — the Name above every name. Come quickly, Lord Jesus.

Chapter 6: From Shem to Abraham – Patriarchal Timeline (Genesis 11)

Opening Verse "These are the generations of Shem. Shem was 100 years old and fathered Arpachshad two years after the flood." (Genesis 11:10)

1. The Genealogy of Genesis 11 – The Post-Flood Patriarchal Line

Genesis 11 continues the chronological record from Genesis 5, now tracing the line from Shem (Noah's son) to Abraham. Like Genesis 5, it uses the same precise, gapless formula:

- "[Name] lived X years and fathered [next name]."
- "After he fathered [next name], [Name] lived Y more years…"
- "Thus all the days of [Name] were Z years, and he died."

This genealogy is **shorter** and shows a **sharp decline in longevity** after the Flood — from ~900+ years to ~200–400 years, then down to normal lifespans by Abraham's time.

2. The Post-Flood Patriarchal Timeline (Shem to Abraham)

Using the Masoretic Text ages (basis for Ussher's chronology):

Person	Age at Fathering Next Son	Years Lived After	Total Lifespan	Year of Birth (AM)	Year of Death (AM)	Cumulative Years from Flood
Shem	100 (Arpachshad)	500	600	1556	2156	2 (2 years after Flood)
Arpachshad	35 (Shelah)	403	438	1658	2096	104
Shelah	30 (Eber)	403	433	1693	2126	139
Eber	34 (Peleg)	430	464	1723	2187	169
Peleg	30 (Reu)	209	239	1757	1996	203
Reu	32 (Serug)	207	239	1787	2026	233
Serug	30 (Nahor)	200	230	1819	2049	265

Key Calculations

- Flood: 2348 BC (1656 years after Creation)
- Shem born: 2 years before Flood (Noah 502)

- Abraham born: ~1996 BC (Ussher) — 352 years after Flood
- Abraham's call (age 75): ~1921 BC
- Total from Flood to Abraham: ~352 years

3. The Decline in Longevity

- Pre-Flood: average ~912 years
- Post-Flood: rapid drop — Shem 600 → Arpachshad 438 → Peleg 239 → Abraham 175
- Possible causes (biblical view):
    - Genetic bottleneck (8 survivors) — reduced lifespan
    - Changes in environment after Flood (vapor canopy collapse?)
    - God's decree (Gen 6:3 – "his days shall be 120 years")

Cross-references

- Genesis 6:3 — "My Spirit shall not abide in man forever, for he is flesh: his days shall be 120 years" — post-Flood limit
- Psalm 90:10 — "The years of our life are seventy, or even by reason of strength eighty" — normal lifespan by Moses' time
- Hebrews 11:8–10 — Abraham's faith — looked for heavenly city
- Galatians 3:16 — Abraham's seed = Christ — promise fulfilled

4. Historical & Cultural Context

- **Shinar** — land of Babel (Gen 10:10; 11:2) — southern Mesopotamia
- **Ur of the Chaldees** — Abraham's birthplace (Gen 11:28, 31) — real city in southern Iraq, excavated (Woolley 1920s–1930s)
- **Haran** — family moves to northern Mesopotamia (Gen 11:31) — real city, still exists
- No secular records contradict — Abraham's era (~2000 BC) aligns with early Mesopotamian Bronze Age

5. Why This Genealogy Matters

- Bridges Flood to Abraham — shows continuity of humanity from Noah
- No gaps — exact ages confirm short post-Flood timeline

- Sets stage for Abrahamic covenant (Gen 12) — blessing to all nations through Christ (Gal 3:16)
- Contrasts with deep-time — only ~352 years from Flood to Abraham, not millions

Prayer for This Chapter

Lord Jesus Christ, promised Seed of Abraham, thank You for the faithful record from Shem to Abraham. Help us trust Your Word's timeline — no gaps, no compromise. In this little season of evolutionary long ages, keep us anchored in Genesis truth. Fulfill Your promise to Abraham — bless all nations through the gospel. Come quickly, Lord Jesus.

- Sets stage for Law at Sinai — covenant nation formed
- Foreshadows Christ — Seed of Abraham who blesses all nations (Gal 3:16)

Chapter 9: Divided Kingdom to Exile

Opening Verse "So the king did not listen to the people, for it was a turn of affairs brought about by the Lord that he might fulfill his word, which the Lord spoke by Ahijah the Shilonite to Jeroboam the son of Nebat." (1 Kings 12:15)

1. The Division of the Kingdom – Rehoboam & Jeroboam

After Solomon's death (~931 BC), the united monarchy fractures into two kingdoms due to Solomon's idolatry and heavy taxation (1 Kings 11:9–13).

Key Events

- **Rehoboam** (Solomon's son) succeeds in Jerusalem — age 41 (1 Kings 11:42)

- Ten northern tribes rebel, make **Jeroboam** king — capital at Shechem, later Samaria (1 Kings 12:16–20)
- Only Judah & Benjamin remain loyal to Rehoboam (Southern Kingdom = Judah)
- God prevents Rehoboam from attacking north — prophecy of Ahijah fulfilled (1 Kings 12:21–24)

KJC-DNN

Chapter 10: Exile to Christ

Opening Verse "Thus says the Lord: When seventy years are completed for Babylon, I will visit you, and I will fulfill to you my promise and bring you back to this place." (Jeremiah 29:10)

1. The Babylonian Exile – 70 Years of Judgment & Preservation The Southern Kingdom (Judah) falls in stages to Babylon under Nebuchadnezzar. This is God's judgment for persistent idolatry (2 Kings 17:7–23; 2 Chr 36:15–21).

Chapter 11: Christ to Second Coming – Tartarian Kingdom and Saints' Rule over the Nations

Opening Verse "And I saw thrones, and seated on them were those to whom the authority to judge was committed. Also I saw the souls of those who had been beheaded for the testimony of Jesus and for the word of God, and those who had not worshiped the beast or its image and had not received its mark on their foreheads or their hands. **They came to life and reigned with Christ for a thousand years**." (Revelation 20:4)

1. The Inauguration of the Kingdom at the Cross & Ascension The Second Coming (Rev 19:11–21) is not a future physical descent from the sky to begin a future millennium. It is the **inaugural victory** of Christ at His first coming — His death, resurrection, and ascension — which **bound Satan** (Matt 12:29; Heb 2:14) and **inaugurated the millennial reign** of the saints with Him.

Biblical cross-checks

- John 12:31–32 — "Now is the judgment of this world; now will the ruler of this world be cast out. And I, when I am lifted up from the earth, will draw all people to myself." → Satan cast out at the cross.
- Colossians 2:15 — "He disarmed the rulers and authorities and put them to open shame, by triumphing over them in him [at the cross]." → Victory already won.
- Hebrews 2:14 — "that through death he might destroy the one who has the power of death, that is, the devil." → Satan bound through death.
- Ephesians 2:6 — "and raised us up with him and seated us with him in the heavenly places in Christ Jesus." → Saints already reigning with Christ spiritually.
- Revelation 20:4 — "they came to life and reigned with Christ for a thousand years" — spiritual resurrection and reign began at the cross/ascension (first resurrection).

Timeline placement

- Cross & Resurrection: ~AD 30–33
- Ascension & enthronement: ~AD 33 (Acts 1:9–11; Heb 1:3 — "sat down at the right hand of the Majesty on high")
- Satan bound → millennial kingdom begins: ~AD 33
- 1,000 years: ~AD 33 to ~AD 1033 (approximate – symbolic or literal span)

2. Tartaria as the Physical Manifestation of the Millennial Kingdom

The 1,000-year reign was not invisible or only spiritual — it had a **physical expression** on earth: Tartaria / Grand Tartary. Old maps (1570–1850) consistently show a vast, unified, advanced region spanning Central Asia to the Pacific — labeled "Tartaria Magna," with orderly cities, trade routes, and architecture far beyond nomadic tribes.

Cross-check with previous volumes

- Volume 2 established Tartaria as the millennial kingdom (Rev 20:4–6) — saints reigning, Satan bound, no global deception.
- Volume 3 detailed technologies (aether, atmospheric power, star forts, masonry, water systems) as evidence of that reign.
- Maps vanish after ~1850 — aligns with Satan's release (Rev 20:7) and little season deception.

3. Saints' Rule over the Nations – Already/Not Yet The saints have been reigning with Christ since His ascension (Eph 2:6; Rev 20:4). This reign is **spiritual now** (authority over sin, principalities – Eph 6:12) and was **physical then** (Tartaria as kingdom expression).

Cross-check

- Rev 20:6 — "they will be priests of God and of Christ, and they will reign with him for a thousand years." → Fulfilled in Tartaria era.
- Rev 5:10 — "You have made them a kingdom and priests to our God, and they shall reign on the earth." → Began at Pentecost (Acts 2).
- Daniel 7:27 — "the kingdom… shall be given to the people of the saints of the Most High; his kingdom shall be an everlasting kingdom." → Everlasting, but physical phase ~AD 33–1033.
- Matthew 28:18 — "All authority in heaven and on earth has been given to me." → Post-resurrection, pre-Tartaria physical reign.

4. The End of the Millennium – Satan's Release ~AD 1033–1050 (approximate) — Satan released for "a little season" (Rev 20:3,7).

- Mud flood / liquefaction cataclysm (~1800–1850) — physical mark of release
- History rewritten, technologies suppressed, memory erased (orphan trains, world fairs)
- Current era: little season deception (Rev 20:8)

5. The Final Events – Already in Motion

- Gog & Magog gathering: ongoing deception of nations
- Fire from heaven: future final judgment (Rev 20:9)
- Great White Throne: imminent (Rev 20:11–15)
- New heaven & new earth: eternal state (Rev 21–22)

Prayer for This Chapter

Lord Jesus Christ, enthroned at the right hand of the Father, thank You for inaugurating the millennial kingdom at Your cross and ascension. Reveal Tartaria as the physical reign of Your saints. In this little season, keep us faithful amid deception. Come quickly to finish the victory and bring the eternal day.

Chapter 12: New Heaven & New Earth – Eternity

Opening Verse "Then I saw a new heaven and a new earth, for the first heaven and the first earth had passed away, and the sea was no more. And I saw the holy city, new Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband." (Revelation 21:1–2)

1. The Final Transition – From the Little Season to Eternity

The little season ends with the Great White Throne judgment (Rev 20:11–15). The first heaven and the first earth — corrupted by sin, death, and deception — pass away completely (Rev 21:1). No gradual evolution. No lingering remnants of the old order. No more sea of chaos, no more curse, no more night.

This is the **ultimate restoration** — the complete reversal of every consequence of the Fall (Gen 3), the Flood (Gen 7–8), Babel (Gen 11), and every rebellion since. Everything suppressed, buried, or erased in the little season is replaced by the perfect, eternal reality of God dwelling with His people.

2. The New Jerusalem – The Bride Descends

Revelation 21–22 describes the eternal state in vivid, physical detail:

- **New Jerusalem comes down** from heaven as a bride adorned for her husband (Rev 21:2)
- **God dwells with man** — "Behold, the dwelling place of God is with man. He will dwell with them, and they will be his people" (Rev 21:3)
- **No more tears, death, mourning, crying, or pain** — "the former things have passed away" (Rev 21:4)
- **No temple** — "for its temple is the Lord God the Almighty and the Lamb" (Rev 21:22)
- **No sun or moon** — "for the glory of God gives it light, and its lamp is the Lamb" (Rev 21:23)
- **River of the water of life** flows from the throne of God and of the Lamb (Rev 22:1) — crystal clear, eternal provision
- **Tree of life** on both sides of the river — 12 kinds of fruit monthly, leaves for the healing of the nations (Rev 22:2)
- **No more curse** — "No longer will there be anything accursed" (Rev 22:3)
- **His servants will worship Him** — see His face, His name on their foreheads (Rev 22:3–4)

- **They will reign forever and ever** (Rev 22:5)

5. Final Exhortation

The entire biblical timeline — from Creation (4004 BC) to the Flood (2348 BC), Babel dispersion, patriarchs, Exodus (1491 BC), kings, exile, return, Christ's first coming (~4 BC – AD 33), church age, Tartarian millennial kingdom (~AD 33–1033), little season (~AD 1033–present), and final judgment — all points to this moment: **Jesus Christ reigns forever.** The Lamb has overcome. The kingdom is coming in fullness. The eternal hallelujah never ends.

Prayer for This Chapter

Lord Jesus Christ, Alpha and Omega, Beginning and End, thank You for the promise of the new heaven and new earth. We long for the day when every tear is wiped away, every lie exposed, every suppressed truth restored. Let the river of life flow from Your throne, and the tree of life heal the nations. Write our names in the book of life through Your blood. Come quickly, Lord Jesus — let the eternal day dawn and Your glory fill all creation forever.

ஆமென். அல்லேலூயா! Hallelujah forever and ever!

The End of the Book All glory to the Lamb.

ஆமென். 😊✨ The timeline is complete — the Lamb reigns supreme.

THE ANNALS
OF THE
OLD TESTAMENT,
From the beginning of the World.

IN the beginning God created Heaven and Earth, *Gen.* 1. 1, 2. Which beginning of time, according to our Chronologie, fell upon the entrance of the night preceding the seventy third day of *October*, in the year of the Julian Calendar, 710.

Upon the first day therefore of the world, *Gen.* 1. 3, 4, being our Sunday, God, together with the highest Heavens, created the Angels. Then having finished it were, the cope of this building, he left in hand with the foundation of that wonderful Fabrick of the World, he fashioned this lowermost Globe, consisting of the Deep, and of the Earth; all the Quire of Angels leaping for joy, and magnifying his name therefore. [*Job* 38. 7.] And when the Earth was void and without form, and darkness covered the face of the Deep, on the very middle of the first day, the light was created, which God severing from the darkness, called the one day, and the other night.

On the second day (*October* 14. *being Monday*) the firmament being finished, which was called Heaven, a separation was made of the waters above, and of the waters here beneath enclosing the earth.

Upon the third day (*Octob.* 15. *Tuesday*) these waters beneath running together into one place, the dry land appeared. This confluence of the waters, God made a Sea, flowing out from thence the rivers, which went thither to return again [*Eccles.* 1. 7.] and he caused the Earth to bud, and bring forth all kinds of herbs and plants, with seeds and fruits. But above all, he enriched the garden of Eden with plants; for among them grew the tree of Life, and the tree of Knowledge, of good and evil. [*Gen.* 2. 9.]

On the fourth day (*Octob.* 16. *which is our Wednesday*) the Sun, the Moon, and the rest of the Stars were created.

On the fifth day (*Octob.* 17. *Thursday*) Fish and flying Fowl were created, and endued with a blessing of encrease.

And upon the sixth day (*Octob.* 18. *which is our Friday*) the living creatures of the earth took their creation, as well going, as creeping creatures. And last of all, man was made and created after the image of God, which consisted principally in the divine knowledge of the mind, [*Coloss.* 3. 10. *Ephes.* 4. 24.] and in the naturall and proper sanctity of his
